The projected revenue does not include revenue derived from delivering any additional (preventive) services, tests or screens that arise from the Care Suite™ platform. Core Care Medical and Oculus Health makes no representations or warranties regarding any information provided or the results that will be obtained from the use of the Care Suite™ platform, and shall not be responsible or liable for any errors or omissions in that information or the results obtained from any such use.

Introducing Care Suite™, the unified solution for preventive and care management services. Care Suite™ was created through an exclusive partnership between leading medical technology innovators, Core Care Medical and Oculus Health.

DESIGNED TO SUPPORT THE FULL LIFECYCLE OF PATIENT INTERACTIONS, CARE SUITE™ INTEGRATES:

Preventive care services including Annual Wellness Visit (AWV), Initial Preventive Physical Examination (IPPE), and other Medicare preventive screenings

Non face-to-face services including Chronic Care Management (CCM), Transitional Care Management (TCM), and Remote Care engagement platform

BY PROVIDING A 1:1 PATIENT AND MEDICAL STAFF RELATIONSHIP WITH CONCIERGE LEVEL SERVICE, CARE SUITE™ BENEFITS PATIENT, PROVIDER, & PRACTICE.

THE CARE SUITE™ DIFFERENCE

- Turnkey delivery with minimal impact to practice workflow
- Seamless integration and interoperability with EMR
- CMS audit guarantee
- Most competitive pricing in the industry
- HIPAA certified
- Future platform growth

BY UTILIZING CARE SUITE™ YOUR PRACTICE WILL REALIZE:

- Enhanced revenue potential
- Patient health improvements
- Increased patient satisfaction
- Reduction of non reimbursement calls to the practice
